PARTICIPATION	The World Cup Competitions consist of Qualifications and Finals in all 5 categories. <u>Participation in the Qualifications:</u> All competitors must take part in the qualifications. <u>Participation in the Finals:</u> The top eight units per category from the qualifications qualify for the Finals. In addition, if the Organizing Member Federation has not qualified in any category, it may nominate one participation in max. 1 category of its choice. Maximum participation in the finals is therefore 8+1 participants in one category and 8 in the other four categories. Such "Wild Card Participant" must have participated in the respective category in the qualification. "Wild Card Participants" will receive medals and prize money, but they will not receive any World Cup Points. If there are less than 4 units participating in a category, no medals, prize money and World Cup Points will be awarded. In case of a tie at any place, the tie-breaking rules as set up for the World Championships shall be applied. The Organizing Member Federation may cancel the competition in the respective category if at the time of the definitive entry, there are less than 4 units registered in a category. In case of such a cancelation, the Organizing Member Federation must reimburse, in full, the entry fee and payments made for accommodation. Should flights have to be cancelled due to the above, the risk is at the charge of the participating member Federations. <u>World Cup Competitions may exceptionally be combined with other Competition provided those are clearly separated in the competition schedule.</u>
"HORS CONCOURS" GYMNASTS	The Organizing Member Federation is allowed to add only for the qualifications "hors concours" competitors. These competitors are in addition to the official participants of the Organizing Member Federation's competitors, they must be named at the time of the closing of the nominative registration and cannot qualify for the final. They will have to start first, they are not eligible to receive World Cup Points and prize money and they must not appear on the official results lists. The Organizing Member Federation is allowed to name 1 Individual Men, 1 Individual Woman, 1 Mixed pair, 1 Trio and 1 Group as "hors concours" competitors.
FEDERATIONS INVITED	The Organizing Member Federation must invite all FIG Member Federations who have paid their annual membership fee for Aerobic Gymnastics.
SIZE OF DELEGATION AND FIG LICENCE	The maximum size of each delegation is as per FIG Rules for Accreditation.
AGE LIMITS	18 years in the year of the competition.
JUDGES AND JURIES	The number of Juries (judges' panels) may be decided by the Organizing Member Federation depending on the number of participating competitors and judges. The Juries are set up by a draw - directed by the FIG Technical Delegate - from the judges present at the event. Priority will be given to the judges of the highest category. A jury must consist of one Chair of Judges' Panel, 4 Artistic, 4 Execution and 2 Difficulty judges.

	A federation may not have a judge on both the execution and artistic panels. The Chair of Judges' Panel and the difficulty judges should also be from different federations. Only in exceptional situations can the Technical Delegate make the decision to deviate from this. For categories and eligibility, please refer to the FIG General Judges Rules, Art 5 If, on the day of the competition, there are no sufficient number of judges in the requested categories, the Technical Delegate may take whatever action needed to secure the running of the event. Each participating federation must provide minimum one judge Cat. 1, 2 or 3*. Failure to do so, or if a participating Federation sends a judge with a Cat. 4 (instead of Cat. 1, 2 or 3) will result in a fine of CHF 2'000.- to be paid to the Organizing Member Federation. *Member Federations who have only Cat. 4 judges are allowed to send a Cat. 4 judge who may be used as Time and Line judge only. The Organizing Member Federation is responsible that there are enough FIG brevetted judges present with the appropriate category of brevet for their function. Should there not be sufficient judges, the Organizing Member Federation may propose to the FIG for approval the name of neutral additional judges to complete the panels (plus 1 reserve). These judges, once approved, have to be invited at the cost of the Organizing Member Federation. Such invitation must be made through the respective Member Federation. Should the Organizing Member Federation fail to propose names for additional judges, the FIG will invite such judges at the cost of the Organizing Member Federation.
