#### **AGE LIMITS**

Age limit: 18 years (born in 2004 or before)

#### **JUDGES AND JURIES**

Please refer to the 2022-2024 AER Code of Points for the composition of the Judges' Panels.

The number of Juries (judges' panels) may be decided by the Organizing Member Federation depending on the number of participating competitors and judges.

The Juries are set up by a draw - directed by the FIG Technical Delegate - from the judges present at the event. Priority will be given to the judges of the highest category.

A jury must consist of one Chair of Judges' Panel, 4 Artistic, 4 Execution and 2 Difficulty judges.

A federation may not have a judge on both the execution and artistic panels. The Chair of Judges' Panel and the difficulty judges should also be from different federations. Only in exceptional situations can the Technical Delegate make the decision to deviate from this. Not more than one judge per Federation per panel will be permitted except for Time and Line Judges

The CJP must be of Cat. 1.

The Difficulty Judges must be Cat. 1 or 2.

The Execution and Artistic judges must be Cat. 1, 2 or 3.

If, on the day of the competition, there are no sufficient number of judges in the requested categories, the Technical Delegate may take whatever action needed to secure the running of the event.

Each participating federation must provide minimum one judge Cat. 1, 2 or 3\*. Failure to do so, or if a participating Federation sends a judge with a Cat. 4 (instead of Cat. 1, 2 or 3) will result in a fine of CHF 2'000.- to be paid to the Organizing Member Federation.

\*Member Federations who have only Cat. 4 judges are allowed to send a Cat. 4 judge who may be used as Time and Line judge only.

The Organizing Member Federation is responsible that there are enough FIG brevetted judges present with the appropriate category of brevet for their function. Should there not be sufficient judges, the Organizing Member Federation may propose to the FIG for approval the name of neutral additional judges to complete the panels (plus 1 reserve). These judges, once approved, have to be invited at the cost of the Organizing Member Federation. Such invitation must be made through the respective Member Federation. Should the Organizing Member Federation fail to propose names for additional judges, the FIG will invite such judges at the cost of the Organizing Member Federation.

#### **FIG TECHNICAL DELEGATE AND EC MEMBER**

The FIG Technical Delegate and EC member (if applicable) will be designated by the FIG. The FIG Technical Delegate will serve as President of the Superior Jury.
